Re:
Reserve @ New Windsor "J" Street
Subdivision & W.M. Ext.
T. New Windsor

Dear Mr. Setaro:

We are in receipt of plans for watermain extension and subdivision for the above cited project. We are also in receipt of a letter dated 9/11/08 from Attorney Marc Gerstman on behalf of the City of Newburgh to the Town of New Windsor Planning Board. Mr. Gerstman's letter of complaint has been forwarded to the New York State Department of Health for review in conjunction with New York State Watershed Rules and Regulations for the City of Newburgh.

Our office's review of these projects is currently being placed on hold pending the resolution of the complaint.

Please call the undersigned with any questions that you may have at (845) 291-2331.

Very truly yours,

Keith Miller, P.E.
Sr. Public Health Engineer
